EDUCATION

MIT ADT University, Pune

2022 – 2026

Bachelor of Technology in Information Technology | CGPA: 6.51

Pune, India

- **Relevant Coursework:** Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks, Web Development

Shri Haribhau Balwantrao Girme (H.B. Girme) Junior College, Pune

2020 – 2022

Higher Secondary Education (HSC) | Percentage: 75%

Pune, India

Podar International School, Wagholi, Pune

2020

Secondary Education (SSC) | Percentage: 72%

Pune, India

PROJECTS

NexusBuild | React.js, Node.js, MongoDB, Express.js

- Developed a full-stack construction and project management platform to streamline workflow tracking and team collaboration
- Implemented responsive UI components and integrated backend APIs for task monitoring and project updates
- Designed scalable database structures for managing users, projects, and progress analytics

Moda Muse | React.js, Firebase, Tailwind CSS

- Built a modern fashion-focused web platform with responsive UI and dynamic product presentation
- Integrated Firebase for authentication and real-time database management
- Focused on mobile-first frontend development and clean UI/UX practices

Emotion Recognition from Speech using RNN | Python, TensorFlow, Librosa

- Developed a deep learning model capable of identifying human emotions from speech audio samples
- Performed audio preprocessing, feature extraction, and recurrent neural network model training
- Explored speech-based emotion analysis for intelligent human-computer interaction systems

IDC Project Construction Site Monitoring | Python, OpenCV, Deep Learning

- Worked on image-processing based construction monitoring and progress tracking system
- Implemented preprocessing and computer vision techniques for analyzing construction site imagery
- Explored automation and AI-assisted monitoring for improving construction workflow efficiency

POSITIONS OF RESPONSIBILITY

TEDx MITADT 2025

2025

Social Media Team Lead

Pune, India

- Led social media coordination and digital engagement activities for TEDx MITADT 2025
- Collaborated with multiple teams to improve audience reach and event visibility

Institutions Innovation Council (IIC)

2024

Social Media Team Member

Pune, India

- Contributed to social media management and promotional activities for innovation-focused events

Persona Fest

Showstopper Team Coordinator

2025

Pune, India

- Managed showstopper coordination and assisted in smooth execution of event activities

SKILLS

Programming Languages: Java, Python, C++, JavaScript, SQL
